

Mental Health Technician Lead

Want to join one of South Texas' premier child welfare agencies in "restoring innocence and strengthening families?" The Children's Shelter is waiting for you! Since 1901, The Children's Shelter has touched countless lives and every year, serves over 4,000 children and parents. Become part of a growing team providing high-quality, trauma-informed care for children and families.

The Mental Health Technician Lead will manage a team of Mental Health Technicians. He or she will support the direct supervision, safety and crisis management for the children/adolescents in the Whataburger Center for Children and Youth. The Mental Health Technician Team Lead will ensure the quality care and treatment of all children/adolescents and promote the highest level of safety, physical, mental and psychological well-being in accordance to agency, DFPS Minimum Standards for General Residential Operations, the Council on Accreditation, and other local, state or federal regulatory requirements. The Mental Health Technician Team Lead will oversee the implementation of individual treatment plans, safety/behavioral plans, and ensure the Trauma-Informed principles of safety, collaboration, choice, empowerment, and trustworthiness are implemented consistently.

Responsibilities Include:

- Responsible for supporting the overall safety, welfare, care and security of children and adolescents in care.
- Provide floor support to Mental Health Technicians through constant monitoring of residents for potentially unsafe behaviors.
- Implements and maintains all policies, procedures and processes that ensure the physical, behavioral and emotional safety of all children/adolescents
- Ensure that all significant events are reported accurately and completely.
- Prevent and manage crisis situations with residents who have various behavioral issues such as mental instability, IDD, physical and emotional abuse, substance abuse, physical aggression, etc.
- Role-model, mentor and coach staff on crisis management, behavior intervention and de-escalation techniques.
- Lead the multidisciplinary team to create plans to support the child/adolescent in care. Team includes Program Director, Assistant Program Director, Shift Supervisor, medical team, DFPS and Family Tapestry case workers.
- Oversee the implementation of individual treatment plans, safety/behavioral plans, patient behavior/daily activities and provide a safe, supportive environment for the children/adolescents.
- Assist staff with the supervision of residents to ensure the integrity of milieu; monitor and participate in programmatic activities and outdoor recreation.
- Support MHT's by working a rotating shift monthly. Must work each shift at least once per month.
- May administer medications (prescribed and non-prescription over the counter medications) and complete necessary documentation required by DFPS Licensing Standards and program operational procedures.
- Responsible for assessing the safety or flight risk of children, determining, and communicating with the Shift Supervisor on duty which of the following procedures are to be in effect: increased supervision, suicide precautions, and flight attempts.
- Ensure mental health technicians conduct necessary daily and weekly nurturing groups for the residents in care.
- Co-facilitate, lead, plan and coordinate group activities using TBRI or other approved models.
- Participate in the creation and participation in the Single Child Plan of Service with the Assistant Program Director and Case Manager.

Requirements:

- Bachelor's degree in the human services field required.
- Minimum two years of supervisory experience and/or five years of experience providing services for youth/adolescents with IDD, emotional disorders, substance abuse or psychiatric hospital setting
- Bi-lingual in English and Spanish preferred.
- Working knowledge of DFPS General Residential Operations preferred.
- Required to be trained in Trust-Based Relationship Interventions and Motivational Interviewing.
- Required to be trained in agency designated Emergency Behavior Intervention.

The Children's Shelter is an Equal Opportunity Employer committed to a culturally diverse workplace and offering a competitive pay and benefits package.
